Re: P.E.O. Bed and Breakfast Program

Date: June 13, 2022

We are pleased to announce the P.E.O. Bed and Breakfast (B&B) service will be available this summer. This service provides a home away from home for many while generating dollars for our P.E.O. projects. On July 1, 2022, the listing of participating chapters and their contact information will be available on the P.E.O. International member website and members may begin making reservations.

As a previous B&B hostess chapter, we are hopeful you will continue your participation. Please be advised **you do need a chapter vote to continue to participate in the program.** The vote may occur at a regular or special meeting. Please review the [Guidelines for P.E.O. Bed and Breakfast](#) as well as the [P.E.O. International Bed & Breakfast Insurance Coverage](#).

Once your chapter votes to be a B&B hostess chapter, please complete all of the information required for your listing via this form https://peointernational.formstack.com/forms/bed_and_breakfast

After you submit your form you will receive an email confirmation the form was successfully submitted. If the form is fully completed and we have all of the information needed, we will prepare your listing within five business days. All P.E.O. Bed and Breakfast listings are online which allows for current information to be available for potential guests as well as protects the privacy of members who are included as part of the listing.

P.E.O. International will cover the cost of the insurance/administrative fee through February 2023 for your listing.

On July 1, 2022, the listing of B&B hostess chapters will be published on the P.E.O. International member website. **Once a listing is active on the website, reservations may be accepted.** We will update the listing each day as we continue to receive completed information from hostess chapters. We expect the list to continue to grow throughout the summer.

All P.E.O. B&B hostesses are to follow local area health authority and government instructions for physical distancing and congregating if these guidelines are in place in your area.

Thank you again for sponsoring a B&B listing and supporting “women helping women reach for the stars.”
